A. BASIS OF AUTHORITY

The Kentfield Fire Protection District is an independent governmental unit established as a special district of the State of California. The purpose of the district is to provide fire protection, emergency medical and related services as authorized by law to the District and the surrounding area. The District's legal authority and responsibility are contained in the State of California Health and Safety code, Fire Protection District Law of 1987.

B. MEETINGS

1. Members of the Board of Directors shall attend all regular and special meetings of the Board unless there is good cause for absence. Regular meetings shall normally be held on the second Wednesday of each month at 5:30 p.m. Change of date must be approved by a majority of the Board.

- 6. At least seventy-two (72) hours prior to the time of all regular meetings, an agenda that includes, but is not limited to, all matters on which there may be discussion and/or action by the Board, shall be posted conspicuously for public review at the Fire District office.
