

# Public Workshop for Sir Francis Drake Boulevard Rehabilitation and Improvements

The County of Marin is planning for the rehabilitation of the Sir Francis Drake Boulevard between Highway 101 and the Ross Town Limits. Because of its unique nature and current function, the County is using this opportunity to comprehensively evaluate the corridor. Your input is being sought regarding potential improvements to vehicle flow, transit operations, and pedestrian and bicyclist circulation along and across this important arterial.

Please join us at the upcoming workshop to learn about the project and share your ideas. At this workshop, you can:

- Learn about the corridor and how it functions today, including its constraints and opportunities
- Share your thoughts about the corridor's function and identify your concerns
- Help improve circulation and movement for all users in this key corridor

**Saturday, May 2, 10:00am-12:30pm**  
**Bacich School Community Center**  
**699 Sir Francis Drake Boulevard, Kentfield**

For more information, contact Dan Dawson, Principal Transportation Planner, at 415-473-6287/[ddawson@marincounty.org](mailto:ddawson@marincounty.org) or visit the project web page at: <http://www.marincounty.org/depts/pw/divisions/transportation/sir-francis-drake-boulevard-rehabilitation>

All public meetings and events sponsored or conducted by the County of Marin are held in accessible sites. Requests for accommodations may be made by calling (415) 473-4381 (Voice) 473-3232 (TDD/TTY) or by e-mail at [disabilityaccess@marincounty.org](mailto:disabilityaccess@marincounty.org) at least four work days in advance of the event. Copies of documents are available in alternative formats, upon request.
